

PRESS RELEASE

RemoteCARE: Remote Healthcare Service Provision

The **1st Workshop of “RemoteCARE” Project** will be held on **Tuesday, June 1, 2021 at 12:00**. The Workshop is organized by the Municipality of Oraiokastrou (Lead Beneficiary) within the framework of the project *“Remote Healthcare Service Provision”* with the acronym “RemoteCARE” which is co-financed by the European Territorial Cooperation Program INTERREG V-A “Greece - Bulgaria 2014-2020”.

The Workshop is addressed to the Municipality’s staff that is going to be involved with the operation of the mobile unit and will be online available to them via Microsoft Teams Platform.

The Project aims to improve access to primary health care in the rural cross border areas where population has difficult access to healthcare units. The Mobile Unit is almost ready to start the pilot operation that will last for at least six (6) months.

The Municipality of Oraiokastrou participates in the project "Remote Healthcare Service Provision" with the acronym "RemoteCARE", which is implemented within the framework of the INTERREG V-A Greece-Bulgaria Territorial Cooperation Program 2014-2020.
