

PRESS RELEASE

RemoteCARE: Remote Healthcare Service Provision

The **1st day of the 2nd Seminar of “RemoteCARE” Project** will be held on **Thursday, June 10, 2021 at 10:00**. The Seminar is organized by the Municipality of Oraiokastros (Lead Beneficiary) within the framework of the project “*Remote Healthcare Service Provision*” with the acronym “RemoteCARE” which is co-financed by the European Territorial Cooperation Program INTERREG V-A "Greece - Bulgaria 2014-2020".

The 2nd Seminar is addressed to the Municipality’s current and permanent staff that is going to be involved with the operation of the mobile unit and will be held at the Municipal Hall “PAVLOS MELAS” in Oraiokastros.

The Project aims to improve access to primary health care in the rural cross border areas where population has difficult access to healthcare units. The Mobile Unit is almost ready to start the pilot operation that will last for at least six (6) months.

The Municipality of Oraiokastros participates in the project "Remote Healthcare Service Provision" with the acronym "RemoteCARE", which is implemented within the framework of the INTERREG V-A Greece-Bulgaria Territorial Cooperation Program 2014-2020.
